Re: Marg Zone, Reservoir B  
Lockport Field  
Calcasieu Parish, Louisiana

Dear Commissioner Boudreaux:

Application is hereby made on behalf of **TRANSWORLD EXPLORATION & PRODUCTION, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of oil and gas from the Marg Zone, Reservoir B, said unit to be designated MARG RB SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Transworld Exploration & Production, Inc. as operator of the proposed unit.
4. To designate the Transworld Exploration & Production, Inc. – Farquhar No. 24 Well as unit well for the proposed unit.
5. To provide that any future wells, replacement and/or alternate unit wells drilled to the Marg Zone, Reservoir B, should be exempt from the spacing provisions of Statewide Order No. 29-E.

6. To authorize the Commissioner of Conservation to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such other matters as may be pertinent.

The Marg Zone, Reservoir B, in Lockport Field, is hereby defined as being that oil and gas bearing zone encountered between the depths of 7,048 feet and 7,080 feet (electrical log measurements) (true vertical depths of 6,791 feet and 6,815 feet) in the Transworld Exploration & Production, Inc. – Farquhar No. 24 Well, located in Section 8, Township 10 South, Range 9 West, Calcasieu Parish, Louisiana.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Mr. Joe Adams, 4520 Jamestown Avenue, Suite 6, Baton Rouge, Louisiana 70808, Telephone Number (225) 929-6097.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for April 3, 2002, WILL NOT BE HELD.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated March 12, 2002) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The plat and/or list of parties will, however, be furnished by the undersigned to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$700.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

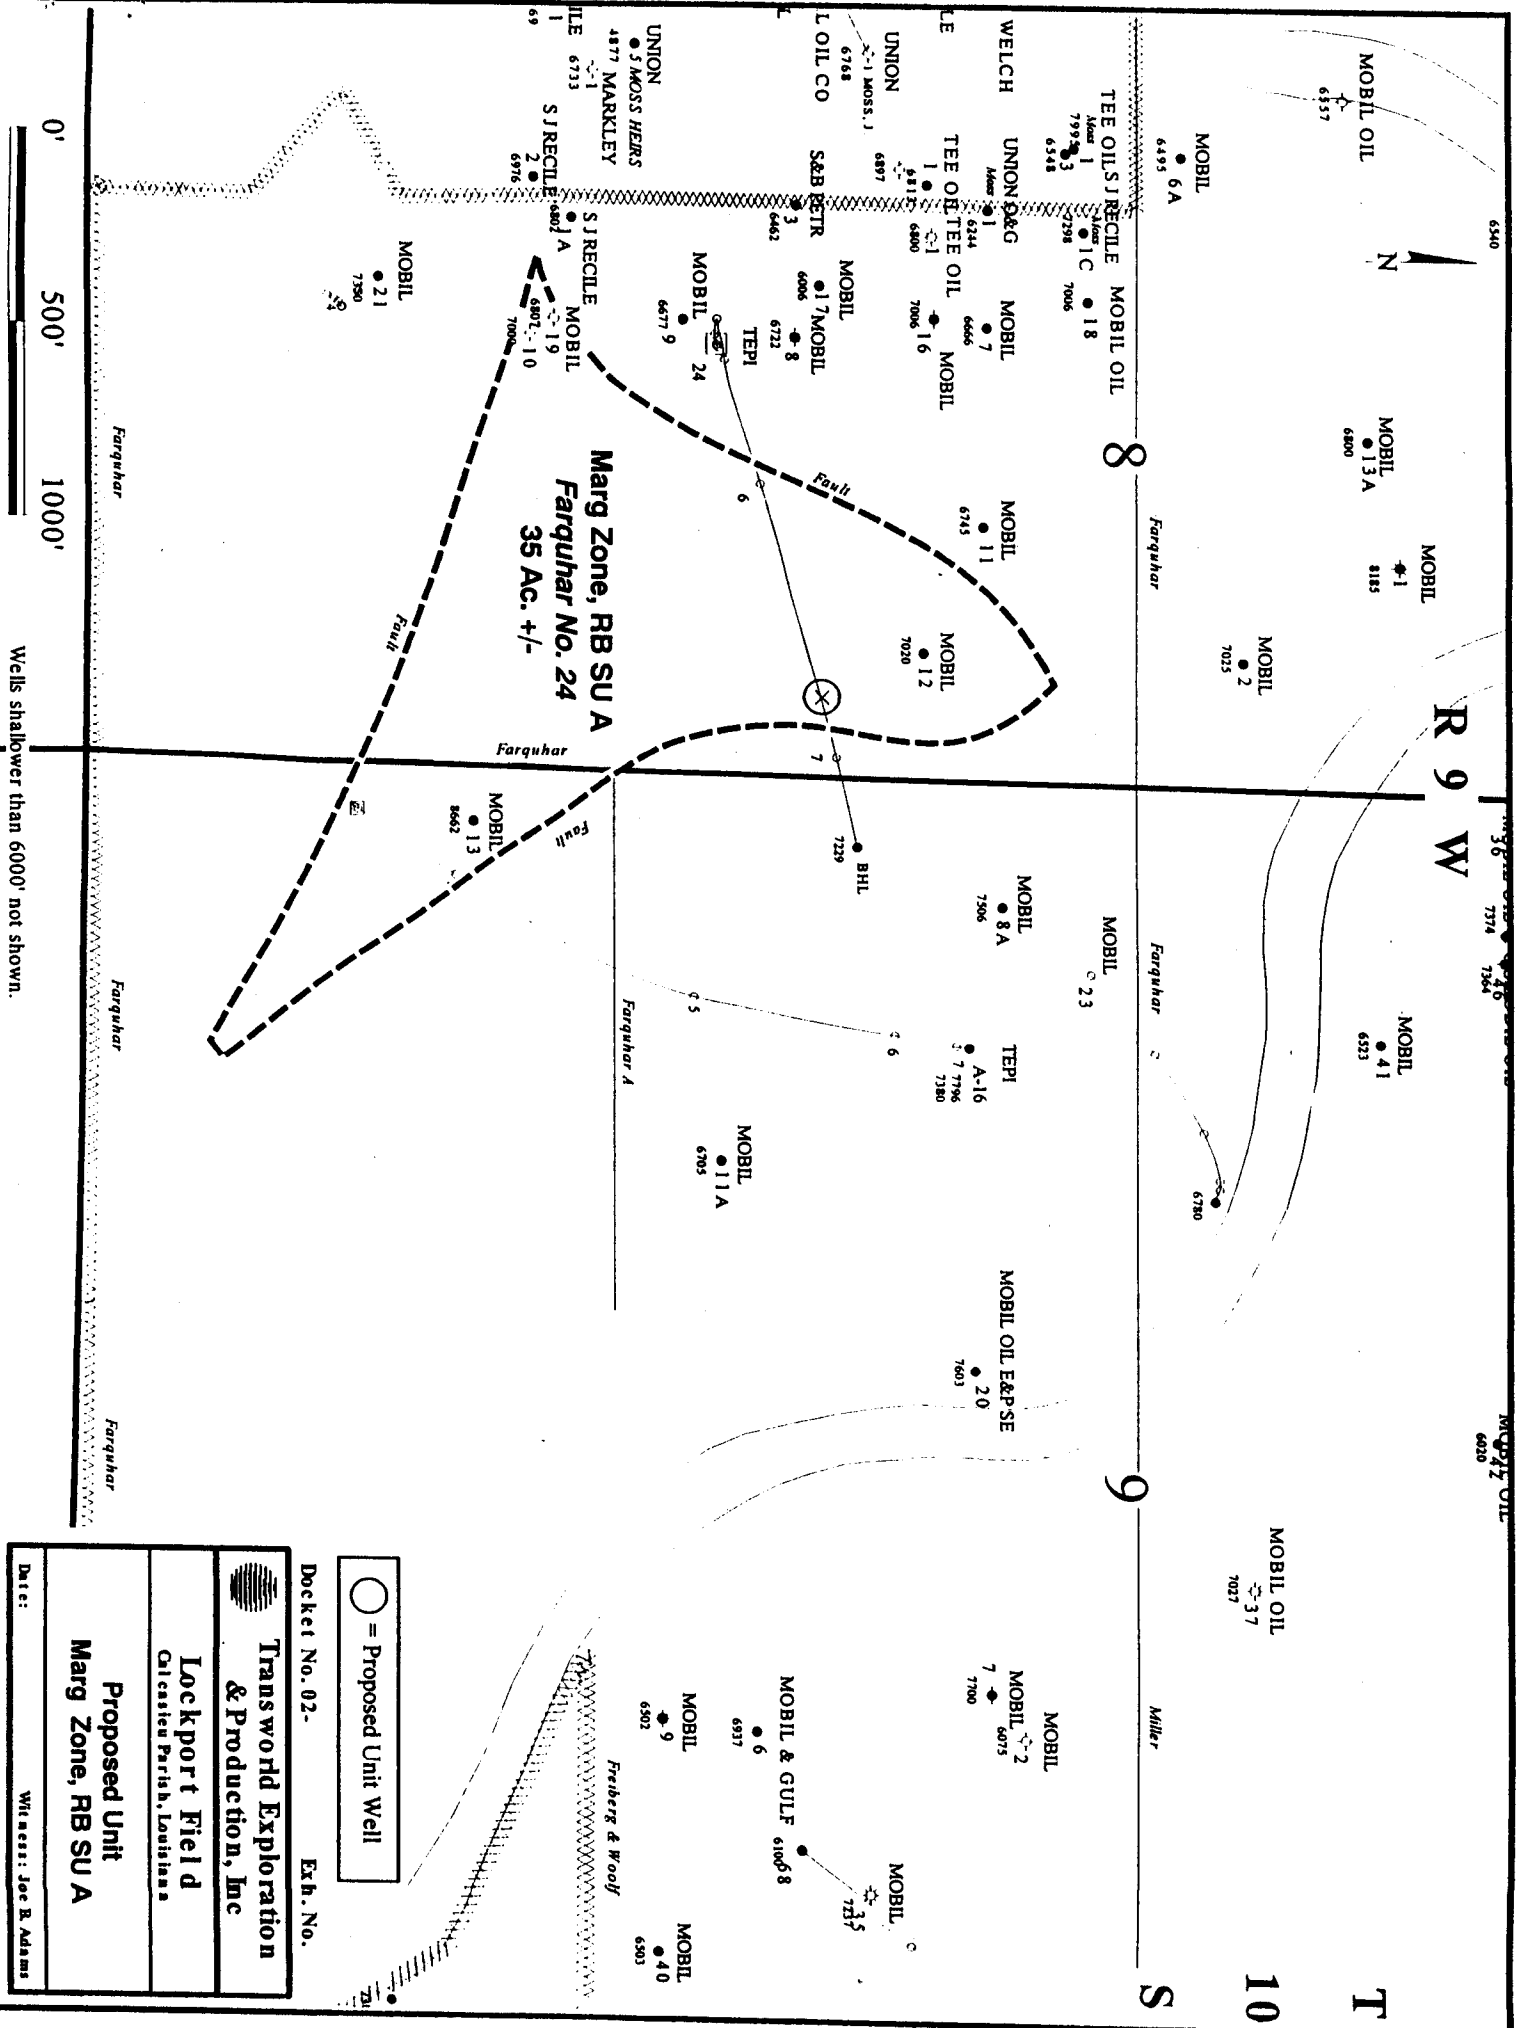

Richard W. Revels, Jr.
